Philip A. Connelly Background

Born in Framingham, Massachusetts in June 1907, Philip A. Connelly became a leader in his chosen profession-Food Service Management.

He worked diligently and earnestly throughout his life to promote professionalism in food service, in both the civilian industry and military services. As a result of his dedicated purpose and positive influence, civilian and military food service programs are more closely aligned and personnel in these programs now have uniform goals in education training, career development and job opportunities.
